--Week Ahead--

Reading: Next week, we will continue reading Treasure in the Trees and discuss how to find the central message (lesson) we can learn from Nisha, the main character.

Writing: Students have selected an animal they would like to research. We will be using print and digital sources to collect facts about our animals which will eventually turn into our first informational writing piece!

Math: We are gearing up to take our first Math test! We finish this module by exploring different quadrilaterals and their properties.

SEL: SEL stands for Social/Emotional Learning. This week, we discussed how to show compassion for others.
